Dear UNICEF Group 1 Colleagues:

Congratulations! You are about to finish Module 1 of the UNICEF/Ohio University Learning Course on Communication for Development (C4D). Before moving on to Module 2 (which begins May 13th), we have a few reminders for you.

End-of-module test:
When Module 1 ends on Sunday, May 5th, you can proceed to the final component --the end-of-module test. The test will be accessible for a period of TWO WEEKS, closing on Sunday, May 19th). You do not have to do the test in a single sitting you can save your work and return to the test at another time. Because this gives you time to review readings and discussions, as needed, only one test attempt is allowed.

We'll send you (by e-mail) progress reports on tests completed. You need to earn a minimum of 48 out of the 60 available marks on the Module 1 and 2 tests (worth 30 marks each) to receive an invitation to the workshop at the School of Public Health at the University of the Witwatersrand in Johannesburg, South Africa (August 4-16, 2013).

 Evaluations:
At the end of each module we will send an online evaluation survey. There will be a link at the end of each end-of-module test, and we will also send a link through Ning and/or email. We greatly value participant feedback; it helps us as we strive to continually improve the course. The evaluation surveys are short and can be completed quickly. We would be grateful if you could make time to complete them (and we may send out several reminders and "nudges" to complete the survey, so please bear with us as we work to get valuable insights from you).

GROUP 2: https://www.surveymonkey.com/s/9KQMN7J

Workshop Information
Thanks to those of you who have already sent us the **Participant External Contractor Form** that was emailed on April 21st. This form is needed to request an access card for the workshop at the University of Witwatersrand. If you haven't returned the form, please do so as soon as possible. It only takes a few minutes to complete, and doing so now will save us (and you) time an inconvenience later on.

General information
If you have any general questions about course, or the assessment, please visit the "Program Information" page of the course website, https://www.ohio.edu/commdev/unicef/program_info.html

You are also welcome to direct any questions to me (your Group 1 coordinator). I am available online, from our base here in Athens Ohio, ready and willing to help.

Best regards and good luck with the test. Your Module 2 facilitator, Adrian Budiman, has been following the lively discussions in Module 1, and is looking forward to your contributions in Module 2. Last year, some of the most interesting online debates on C4D were about theory -- (the focus of Module 2).

 Regards, Heather Porter

Group 1 Administrator
